### The Business Deal

A Chinese guy goes into a Jewish-owned establishment to buy black bras, size 38.

The Jewish store keeper, known for his skill as a business man says the black bras are rare and

he is finding it very difficult to buy them from his suppliers therefore he has to charge \$50.00 for them

The Chinese guy orders 25

He returns a few days later and this time orders 50

The Jewish owner tells him they have become even harder to get and charges him \$60 each.

The Chinese guy returns a month later and buys the stores remaining stock of 50.

This time the price is \$75 each

The Jewish owner is somewhat puzzled by the large demand for black size 38 bras and asks the

Chinese guy, “Please tell me ...what do you do with all these Black bras size 38?”

The Chinese Guy answers “I cut them in half and sell them to you Jews for skull caps \$200 each.

The reason Politicians try so hard to get re-elected is that they would

“Hate” to have to make a living under the laws they have just passed.

Three friends from the local congregation were asked, “When you’re in your casket, and friends and congregation members are morning over you, what would you like them to say? “.

Arthur Said “I would like them to say I was a wonderful Husband, a fine spiritual leader, and a great family man“.

John commented I would like them to say “I was a wonderful teacher, and servant of God, who made a huge difference to people’s lives.”

Paul Said “I would like them to say “Look he is moving”.

When I was ready to check out and pay for my groceries the cashier said “.Strip down facing me”

Making a mental note so that I could complain to my local M.P about this security rubbish.

I did just as she had instructed.

After the shrieking and other hysterical remarks finally died down, I found out she was referring to how I was to present my credit Card.

Never the less I have been asked to shop elsewhere in future.

They need to make their instructions much clearer for us seniors

Man I hate this Getting older stuff.

A new teacher was trying to make use of her Psychology courses. She started her classers by saying.

Everyone, who thinks they’re stupid stand up. After a few seconds little Larry stood up. The teacher said

Do you think you are stupid Larry. No Miss, I just did not like to see you standing there alone

I’ve often been asked what you do now that you are retired.

I am fortunate I have a Chemical Engineering background & one of the things

I enjoy most is converting Beer, Whisky and Wine into Urine. I find the very rewarding, Uplifting, Satisfying fulfilling.

And I do it every day.
