### You can't fix Stupidity

While working at a pizza shop, I observed a man ordering a small pizza. He appeared to be alone and the cook asked him if he would like it cut into 4 pieces or 6. He thought about it for some time then said, I don't think I'm hungry enough to eat 6 pieces.

### Traffic Camera

A man was driving when he saw a flash of a traffic camera. He figured that his picture had been taken for exceeding the limit, even though he knew that he was not speeding. Just to be sure, he went around the block and passed the same spot even more slowly. But again the camera flashed. He began to think this was quite funny so repeated three more times at a snail's pace. Two weeks later, he got five tickets in the mail for driving without a seat belt. They walk among us.

Siamese twins walked into a bar in Australia and parked themselves on a bar stool. One of them says to the barman, "Don't mind us we're joined at the hip. I'm John and he is Jim. Two fosters beers, draft please. The bartender, feeling slightly awkward, tries to make polite conversation while pouring the beer. "Been on holiday yet Lads?" "Off to America next month". Says John. We go to America every year, rent a car and drive for miles. Don't we Jim?" Jim agrees. "Ah America!" says the bartender. "Wonderful country; New York, LA, Vegas. "Nah, we don't like that American crap" says John. "Meat pies and Fosters beer, that's us, eh Jim? And we can't stand the Yanks -they're so arrogant and rude." "So why keep going to America?" asked the Bartender. "It's the only place Jim gets to drive"
