Presidents Report

Welcome to our second General Meeting

Guest speaker : Christopher Lee from Telstra 10.30 am New Technologies

It has not been an easy change over since taking over the responsibility of being the president. In August last year, and here we are in June nine months on with only three more months before the Next AGM in September, fortunately with the support of the rest of the committee, we are making an Effort to improve the progress of the club

There has been strong support for windows 10 lessons after many members downloading the new operating system and upgrading, and we have the two types of lessons on Mondays, for beginners Introduction to Computers Class with Terry using Windows Ten .and on Thursdays two four week Lessons of using the W 10 operating system with Steve

The attendance of some of the other classes offered have been Lowe, (2 -3 in a class) we need to encourage more members to select follow on classes after they have completed their first 8 lessons, to repeat or move to a more advanced class, selecting a different subject available on the timetable, or on the Notice Board on our website **If we cannot get more than two members to attend a class we may have to offer another subject.**

There is still room for more students in most of the Classes

At The last committee meeting a revue of the accounts indicated it was necessary to increase The fee for the lessons to \$8.00 per lesson from 1st July and during the June Break the committee Have also been reviewing the accounts to update our budget due to increases of most of our Operating costs and the room hire.

The Good News is we are pleased to let you know we have been Successful in applying for a Grant of \$1000.00 from Stockland soon to be deposited in our Bank

**Do not forget to renew your \$5.00 membership in June. end of financial year
(late payment may mean \$25.00 Re-joining fee)**

End of year Social Lunch December 12th Edowgowa Gardens East Gosford
11.30 am – 3PM for Members and guests \$30.00 per head Bookings Available

It is with deep regret that I will be standing down from the President's Position at the AGM In September many thanks for the support I have received from the members and the patience of the Committee

Regards David

Happy Computing
