Bookings Ph: (02) 43695692

ABN No. 29-142-508-293

Enquiries; email: scccc@internode.on.net

Web: www.scccc.org.au

Welcome to all new members, and all current financial members

First let me thank all members and trainers for putting up with the heat during the lack of air conditioning

And the good news is we now have a new air conditioner in the computer room

We also have a volunteer to be our secretary Gill Jamison and we welcome her to the committee

As Series ONE draws to a close, we can enjoy a short break And the Easter Festivities, before we return for the Series Two courses and some new challenges, or return to revise the class you have just competed to help understand it better. Whatever you choose please get your name down on the lists for the class you want to attend before all classes are full.

The instructions for Bookings for the Series TWO courses are available on line at scccc@internode.on.net
Or by phoning 0243 695692 and leaving a message .the lists for you put your name on are in the computer room

There has been some confusion regarding Membership Fees so to set the records straight and as per our constitution Past members unless they have continued to re-join the club paying the renewal fee within the due date annually ,per financial year and wants to come back to start new lessons ,will have to pay the new membership fee of 25 dollars.as in any other club if renewal fees are not renewed within a short time, after the end of the Financial Year. A member will have to Re-join

We would like to have some suggestions for other subjects for new classes we could do and encourage a bigger variety of choices to be available for a future Series

Our first General Meeting with a guest speaker this year is on April 4th at 10.30 am, is Syd Fabri Showing a Powerpoint presentation and Talk on Radiation Oncologoligy All members are invited to Attend

The committee have made Many changes this year which has required a lot of time and support from each member and we will continue to work together to improve the success of the club and its members

Notes for Diary: Wednesday 30th March 10 am Trainers Meeting

General Meeting Monday 4th April 10.30am in Workshop Room KNC

Committee Meeting Monday 4th April 1.30 pm Computer Room

As mentioned in my February News Letter if we do not have bookings for any Class selected to be available for booking we may Cancel and Find another Programme to replace it and as we have already had two other classes cancelled for semester two and now we have to change another, we have 9 members wanting to do Picasa, and only one for Photo Gallery it makes sense to proceed with Picassa

Also please be aware of the difference between downloading a free Programme Down load , and then having to purchase it, to use it . And a Free programme which is free to Use, check the currency of the payment as it may not be Australian Dollars but American Dollars ,

Several other classes have very low Booking, so please put your Name Down on the Lists and help fill the classes

Enjoy your computing and the company of your fellow members.

Regards David Dunbar

President
