Good morning

You are all welcome join us at our first General meeting this year in the Workshop room on this Monday 10.30 Am at KNC

Speaker Syd Fabri will show us a PowerPoint Presentation and Talk on Radiation. Oncolonolgy We can then have lunch at the Café Cressa in Kincumber where we can have a 10% discount on the meals ,as arranged By Steve George , But you will need your Name badge(see the Notice on the Wall in Computer room)

We have changed the lessons in Series Two, as we have an excellent response for Windows 10 Classes on Mondays am, and had to add another class on Thursday's am , along with another waiting list. And we still have to install windows 10 on some of the computers; unfortunately we are limited with only being able to have 10 members on the computers in the room at a time.

There are still vacancies for the Series Two classes for Android tablets, Smart Phones, Word, Email and Internet.as well as limited vacancies for the Apple and Ipad classes ,Please Select a Class and put your Name down on the Lists, and enjoy being able to keep up with Grandchildren on their Phones and computers encourage your friends to join you and have some fun

All the Classes for Series Two start From Monday 11th April, Make your booking NOW

Check the timetable on line or on a printed copy attached to the newsletter for dates and times

We would like to have some suggestions for other classes we could do, and encourage a bigger variety of choices to be available for a future Series and to fill in on any short gaps we may have in the Series Examples are ,Ebay, Paypal , Backing Up and restoring your system, defragging ,Skype, Facebook. Twitter Depending on trainers being Available

The instructions for Bookings for the **Series three** courses are also available on line at scccc@internode.on.net Or by phoning 0243 695692 and leaving a message .the lists for you put your name and details regarding the class you would like to join and tell us if you do you are using a Desktop Computer ,or have a laptop that you can bring to the class

The committee have made Many changes this year, which has required a lot of time and support from each member and we will continue to work together to improve the success of the club and its members
