Newsletter: November/December 2016

I am pleased to advise that the Club has now changed over to the NBN, with some teething problems to be ironed out, but unfortunately our phone number had to change, it is now:- (02) 4307 9421. If anyone needs to contact us, please leave a clear message on the answering service stating your name, contact and any other details to which you will be answered as soon as possible but may not be for a couple of days.

A reminder that the general meeting on Monday 7th November, 2016 is a presentation by Hearing Australia with the opportunity to have free hearing checks, no bookings required.

Our end of year function is fast approaching so I would like to remind everyone that there is a list at the Club if you wish to participate, please add your name to the list and make all payments by Monday 21st November, 2016, so we can finalise numbers with the venue. The cost is \$30 per person.

Due to circumstances beyond our control, the Committee has reluctantly agreed to increase the Joining Fee to \$30 and the Class Fee to \$10 as from Monday 6th February, 2017 which is the commencement of term one.

Proposed class sheets for next year will be available before the end of Series 5 so put your thinking caps on as to the topics you would like to participate in for next year (subjects available list at club room), if you are unable to attend the Club Room a list of subjects is on our website/blog.

Last newsletter I indicated that there would be no classes on the Monday of our general monthly meetings next year, unfortunately due to so many 1st Monday of the month public holidays it is not feasible to do this and maintain our timetable so it will be necessary for people to decide which to go to on those days.

This being the last Newsletter for the year, on behalf of all the committee, I would like to wish everyone a Merry Xmas and a very Happy New Year.

Enjoy your Byting.
Ken.
