#### Presidents Report.

Hello again everybody

We seem to be lacking any enthusiasm to attend our Advertised Courses, The Timetable has changed slightly for the last term of the year Term 5.

Your Committee hopes that the General Meeting in November, the Guest Speaker of which is NRMA, subject Driving and the Elderly, is well attended as it is not only just an important topic it is also our last meeting of 2017 with a \$5 BBQ intended for those who wish to attend. Please put your name down for Catering purposes.

Events such as our End of Year Function, which still needs some 26 people to make it viable, the bookings for which can be made at the Club or on the **blog** Google search or other for, [scccckincumberblog](http://scccckincumberblog) then click Social Events. Transport if needed will be available to the EOYF. Our New Members are more than welcome to attend our EOYF as it will be an opportunity to meet with and make new friends and acquire information on the Club

There are plans in the pipeline for your Clubroom that will make it more comfortable for course attendees next year. Come to a course in Term Five and then in Term 1-2018 to see and be amongst the first to appreciate the proposed change. We might even have a BBQ to celebrate the change.

We would like to see some of our younger members take part on our Committee as we ourselves are not getting any younger. Our Secretary, Rene, is 90, so age is no barrier. If you have a skill that was acquired whilst you were working, (Secretary, Office Administration, Mentor, Teacher etc) why not put it to good use in your retirement in a relaxed, no pressure environment like our Computer Club. Keep your Brain working and your Mind active whilst helping others to obtain a skill that is also going to be beneficial to them. Ward off the possible onset of Alzheimer's Disease.

Congratulations Rene, but you should have your feet up resting.

Our Committee meetings take place once a month for 2 hours on an afternoon of the first week of the month. Not a great deal of time to give up for the community. You have 11 months to think about it and make a decision. Anyone interested is welcome to attend

We also need members to Volunteer as Trainers or even just as Helpers. This is a more urgent need. Email us with your enquiry.

Lastly, if anyone has any ideas of courses that we could put on or suggestions for Guest Speakers at our Meetings or for possible Social Events for the coming year and beyond, send us an email, make a suggestion to a Committee Member / Trainer or phone in your suggestion.

Be careful out there.

President Stephen George (Steve)
